Briefly state the nature and purpose of this experience and list the objective you hope to accomplish during the job shadow and interview

Question 1: Why did you choose this career?

Response: "I was always interested in music and was inspired by my high school teacher and parents to get an education in this field."

Question 2: What is the most challenging part of your job?

Response: "The most challenging part is to get this group of diverse students to succeed since they all have different skill levels."

Question 3: How has your career affected your life?

Response: "This career teaches you how to be patient, how to communicate with others, and how to overcome failure."

Question 4: What is the most rewarding part of your job?

Response: "Watching my students succeed and going on to do bigger and better things in life."

Question 5: Do you take work home?

Response: "Actually I do. I arrange music for my classes, as well as prepare assignments for them."

Question 6: How important are grades for obtaining a job in this field?

Response: "They are important subject wise, but your understanding of music has to be higher."

Question 7: Do you work a lot of overtime?

Response: "Yes and no, because I give my students the opportunity to come in after class for private lessons."

Question 8: What are some key factors/skills needed for this job?

Response: "Your level of skill has to be excellent and you must have experience in teaching, which could be gained by giving private lessons. Experience is the key."

Question 9: Were there any other schools/jobs you applied for?

Response: "I applied for Fresno City, a school in Alaska, a school in Mexico, and I wanted to apply for Fresno State, but the timing was too soon."
